**Sub : Pricing of LPG (Packed).**

It is directed to say that in Govt. Lt. No. P-20016/10/85-PP dt. 17.3.1987, the prices applicable for the supply of LPG (Packed) to non-domestic consumers were indicated. The question of exempting certain categories of consumers from such non-domestic price was further examined.

It is hereby clarified that the supply of LPG (Packed) to the following categories of consumers will be as for domestic use both in respect of deposit as well as price:

- 1. Govt./municipal Hospitals for whatever purpose they are.
- 2. Supplies to all schools and colleges whether for hostels or mid-day meals schemes.
- 3. Canteens attached to/Govt. offices (Govt. includes State Govt. and Local bodies and their installation & Guest houses etc.)
- 4. Messes of Police, BSF, CISF in addition to kitchens & messes of the Defence establishments.

Dear Sir,

**Sub: Withdrawal of Exempted Category LPG Pricing for Categories notified earlier by Ministry of Petroleum and Natural Gas vide their circular no. P-20016/4/87-PP dated 13-04-97.**

We have been communicated by Ministry of Petroleum and Natural Gas vide their letter no. P-17011/3/2002-Mkt. Dated July 3<sup>rd</sup> 2002 (annexed as Annex. I) that subsequent to dismantling of Administrative Price Mechanism w.e.f. 01.04.2002, the related orders/ circulars has been withdrawn.

We here refer to withdrawal of circular No. P-20016/4/87-PP dated 13-04-97 (Annexed as Annex. II). This letter stated that DOMESTIC PRICING would be applicable to certain categories viz:

1. Govt. Municipal Hospitals for whatever purpose they use.
2. Supplies to all schools and colleges for hostels or for mid-day meals.
3. Canteen attached to Govt. Offices (Govt. includes State Govt. and Local bodies and their installations and guest houses etc.)
4. Messes of Police, BSF, CISF in addition to kitchens & messes of the Defence establishments.
5. Canteens run on Cooperative basis under Cooperative Societies Act.

..... Contd... Page 2...

..... Page 2 .....

6. Laboratories attached to schools, colleges & research institutions.
7. Charitable institutions registered under societies Act.

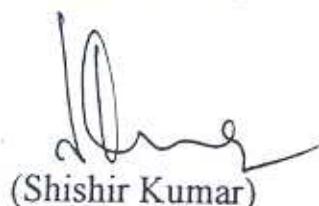

Now with withdrawal of the above circular all the above need to switch over to Commercial LPG Connections with immediate effect.

This would imply that:

1. They are required to deposit their existing small cylinders (of 14.2 kg Capacity) and Regulators with their respective distributors.
2. They are required to take a fresh Commercial connection and would be treated at par with commercial establishments.
3. Use of domestic LPG (14.2 kg cylinder), which is a subsidized product, by them, would be illegal and attract penal action under provisions of Food and Civil Supplies Act and Essential Commodities Act.

While we have issued instructions to our distributors in this regard, we would request your good self to kindly issue a letter in this regard from your good office, so that the communication reaches to all concern and diversion of subsidized product to unauthorized sectors should not take place.

Thanking You  
Yours faithfully

(Shishir Kumar)
